Nature of the Work:

The work is typically very physical and demanding, both from strength requirements and the stamina required. Will help customers and delivery personnel load and unload vehicles. Will also help maintain inventory. Tent cleaning requires work on your hands and knees to wipe tents. Shipping and receiving functions, from light to heavy, are also performed. Janitorial responsibilities, both inside and outside the premises, are also involved.

Working Conditions:

Must stand or be on your knees for long periods of time. Most work will be indoors with general warehouse conditions, in which work areas may not be heated or air conditioned. This job requires constant interaction with co-workers and with the public. This position requires frequent lifting and a significant degree of walking, work on knees, bending and transporting objects of various weights and dimensions. May have exposure to chemicals, including but not limited to gasoline, diesel fuel, propane, kerosene and cleaning solvents. Propane is an obvious hazard; hence a sense of smell is required.

Education, Skills & Requirements:

- Must be able to lift approximately 70 lbs.
- Must maintain a professional personal appearance.
- Must possess customer relation skills.
- Must be able to use mathematics to solve problems.
- Must be able to speak English clearly and write legibly. The ability to speak other languages is a plus.
- Must maintain an acceptable attendance record.
- Must have a full range of motion and dexterity.
- Must have good knees for tent cleaning.
- Must be able to understand and follow instructions.
- Maintain a cooperative working relationship with co-workers.
